The Curwensville Area School District will operate a School Delay/Closing/Early Dismissal Program during the 2011-2012 school year. In case of delays, cancellations, or early dismissals, the district will activate the parent/guardian telephone broadcast system. Parents/guardians and students will also be able to consult the following sources:

- **Local Television Stations:**

WJAC-TV 6

WWCP-TV 8

WTAJ-TV 10

- **Local Radio Stations:**

WCPA
WDSN

WQYX

WOKW

We are asking that residents not call the school district or the television or radio stations with questions since the phone lines must be kept open to receive necessary information and make decisions concerning the daily schedule. Announcements will be released to the media outlets as quickly as possible.

Delayed starts will be one or two hours depending on the severity of the weather conditions. Students should report to their bus stops one hour or two hours later than the normal time.

Although rare, early dismissals are a possibility due to weather or emergency situations. All parents/guardians are encouraged to have appropriate child care arrangements in place in the event an early dismissal of school is necessary.
